Dear Eric:

**RE: Our Thanks**

On behalf of the **Homeland Security Council of New York State**, I want to thank you for taking the time from your busy schedule to talk to our members and guests at the **Breakfast Roundtable of our Congressional Exchange** held June 15, in Washington.

Our members found your remarks to be informative, and provided us with some exceptional insights into the Shaw Group's COOP efforts, and what the private sector can do to effectively meet the challenges of a wide range of potential emergencies.

Your passion and commitment to achieving our common objective of protecting the nation's homeland while providing opportunities for those in the private sector who are engaged in this emerging marketplace is greatly valued and appreciated.

Again, Eric, many thanks for your remarks which were such a key to making this event a success. We look forward to continuing our partnership and working together in the future.

Sincerely,

mr /
